# VOTE ELISIA NARBETT FOR KPA PRESIDENT

I will fight for:

## Increased and Improved Support Networks

- Improve awareness and range of bereavement support.
- Resources that simplify Student Services.
- Tailored career opportunities for PG students, particularly those pursuing (PhDs) and post-PhD careers.
- Continue work on pastoral care roles for PGR students.

## Continued Transparency and Clear Communication

- Fairer and more explicit GTA contracts; with more detailed expectations so GTAs are not overworked.
- Maintain weekly digests and monthly Presidential reports.
- Ensure key updates from the university and committees are communicated effectively, and shared via social media.

## Consistency and Effective Mixed Approach

- Continue KPA Constitutional Reform.
- Ensure that both online and in-situ teaching/content is of an equally high standard.
- Promote both online and in-situ KPA events to cater to everyone's needs and improve accessibility.
- Make mental health and wellbeing events permanent fixtures on the KPA calendar.
- Continue discussions around moving to a flat continuation fee, so International students are not disadvantaged.

So, what are you waiting for?

In a year where consistency is more important than ever:
